Most of us know how important reading together is and how it can lead to success in school and in life. However, we also know it is not always easy to put into practice with your busy schedules. That is why Scholastic invites you to take the 31-Day Challenge—to inspire your family to make reading together for at least 10 minutes every day a focus and to create long-lasting reading habits!

Dash is a little firefly. One of his wings is shorter than the other so he flies more slowly than everyone else, but that doesn't stop him getting where he wants to go. When he's happy, his bottom lights up! And he's happiest when he's eating custard and hanging out with his adoptive brother, Dribble the snail. Join our minibeast heroes on their first adventure as they foil a master criminal plot involving a crystal worm, ancient custard, a stolen Roboslug and some dastardly dung beetles.

Makayla is bursting with ideas but doesn't know how to make them into a story. Howard loves to draw, but he struggles to come up with ideas and his dad thinks comics are a waste of time. Lynda constantly draws in her sketchbook but keeps focusing on what she feels are her mistakes, and Art simply loves being creative and is excited to try something new. They come together to form The Cartoonists Club, where kids can learn about making comics and use their creativity and imagination for their own storytelling adventures!
