A message from your Service Leader

We are thrilled to share that the children have been busy creating vibrant healthy eating collages, showcasing colourful fruits, veggies and balanced meals through their artwork. They also used their imagination to build Lego models of healthy fruits and vegetables. Our budding artists also explored their creative side with dragon sketching sessions, led by the talented student Willow W. We are proud to announce that we will be handing out certificates during assembly at the start of Term 3.

Activities coming up
