A message from your Service Leader

Our young scientists were involved with hands-on experiences during **Science Week**. Their curiosity and teamwork shone brightly. During **Book Week** we celebrated the magic of stories with storytelling sessions, and creative writing workshops. The OSHC Centre transformed into a canvas of creativity as students have been exploring the theme of seasons through art for **Big Art Day**. A special shout-out to our **Lego Challenge** participants! Certificates will be awarded during Assembly on Monday.

Experiences coming up
