

Noosa District State High School – Enrolments Year 7 2021

We are already getting excited about meeting our new students for Year 7 2021 early next term. Enrolments for 2021 have been steadily coming in thanks to our Primary schools helping us distribute enrolment packs to families of current year 6 students. If you have not yet picked up an application, you can request one from your Primary school office. Once filled out you can either drop it off at our NDSHS Pomona Campus or post it in the supplied, addressed envelope.

Timelines for enrolment have been adjusted due to the COVID-19 restrictions on public gatherings. Further information and an updated calendar will be distributed to your child in years 5 and 6 soon. Please note that there will be no transition or enrolment events during term 2, we are hoping that they will resume in term 3. As a result, the Year 5 visit to our Mimburi farm campus has been postponed until week 10, term 4. Additionally, this year we will be unable to hold our annual Junior Secondary Showcase event due to restrictions and limited curriculum time.

Junior Summit

Dependent on restrictions easing, our Junior Summit programs should be up and running again in term 3 so students and families please stay tuned to your emails for more information.
