

# COME & TRY - KIDS SUMMER SPORTS.

August 2021

## SPORTING CLUB DETAILS.

Each year Noosa Council Community Development team host two Come & Try days for sports that are available in the Noosa Shire. One for Winter Sports, held mid February and the Summer sports held mid August. Due to the Covid-19 pandemic we have had to use other methods to share what's available. Please find attached information from the clubs that would have been on site on the day. They can be contacted directly and will be happy to assist you in experiencing their sport.

**FairPlay vouchers** is an initiative under the Queensland Government's Activate! Queensland 2019–2029 strategy to support regular participation in physical activity, by reducing the cost for children and young people from low-income families. Parents, carers, or guardians can apply for a voucher valued up to \$150 for their child, which can be used towards sport and active recreation membership, registration or participation fees with registered activity providers. For more details visit <https://www.qld.gov.au/recreation/sports/funding/fairplay>

### **WILSON PEE-WEE (AGE 4-7) 30 MINUTE LESSON**

Designed for the little ones just starting out. Soft balls, short nets and small racquets bring the game down to their level allowing easier success and enjoyment. Pee Wee classes have no more than 4 kids per coach. The cost is \$115.00 per term.

### **JUNIOR ROOKIE (AGE 7-9) 1 HOUR LESSON**

After achieving the concept of control and the basic understanding of the different strokes in the Pee-Wee program, the children use the large net using green dot balls and playing from 3/4 court.

In this program the emphasis is now on the children's technique which will stay with them no matter how far they take their tennis. The introduction of match play, scoring and tennis etiquette is also achieved in this program. The cost is \$160.00 per term.

**2ND CLASS 25% OFF**

**FREE END OF TERM TOURNAMENT**

**FREE JNR MEMBERSHIP & FAMILY FUN TIME MEMBERSHIP**

**FREE TENNIS AUSTRALIA MEMBERSHIP**

### **JUNIOR PRO (9 -16) MATCH PLAY - 60 MINUTE LESSON**

In this stage of the program we concentrate on developing and fine tuning the skills learnt from the Junior Rookie program. From here, there is more emphasis on serving, as the children are developing their match play skills. The nice thing about this program is that older teenagers, playing tennis for the fun of the game can take these skills throughout their life as a social game. The cost is \$160.00 per term.

### **ELITE & FIXTURES SQUAD TRAINING (TOURNAMENT & FIXTURES PLAYERS) 2 HOUR LESSONS**

Complete training for the competitive/fixtures/tournament players. Fitness, court strategies, equipment and mental consideration are all considered in this program. Here the students are training to become reliable and effective with their game under the pressures of match play. It is here where they prepare the students to play fixtures, tournaments and senior fixtures. The cost is \$250.00 per term.

## JUNIOR TENNIS

The Club's professional coach, DANIEL CARROLL, is also the Coordinator of Junior Tennis.

He is a qualified Tennis Australia Level 2 Coach and former international player, experienced in all aspects of tennis coaching and training. His programs are not only designed to gently introduce children to tennis, but also to accelerate their competitive tennis skills and teach them court etiquette, tournament preparation and the ability to manage a busy playing schedule.

## BECOME A NIPPER

SINCE 1928

NOOSA HEADS SURF LIFE  
SAVING CLUB

## ABOUT OUR PROGRAM

Nippers was established at the Noosa Heads Surf Lifesaving Club in 1967. With over 50 years of experience, we have grown to be the largest nippers program in Queensland. The program runs across both Noosa Heads and Peregian Beach. This gives families the flexibility of two different beach conditions. Peregian Beach has a small welcoming community. Noosa Heads provides more sheltered conditions and an awesome competitive edge. Both locations have the same program, a family-friendly environment, and value for money.

Not only is junior activities a fun way for children to enjoy the beach in a safe environment, but it also offers an educational pathway through the delivery of the SLSC Junior Development Program. The program is designed to ensure children have fun at the beach while participating in lessons that will provide them with a pathway to become a fully rounded participant in both lifesaving and sports activities. The program includes a wide range of subjects and skills relative to the aquatic environment and prepares Nippers for their transition to becoming an Active patrolling member. Throughout their Nippers and lifesaving journey, emphasis is placed on the spirit of camaraderie and citizenship within the community.

## HOW TO BECOME A NIPPER

Nippers is open to children from 5 up to 13\*. Nippers isn't just for the littlies. Parents and guardians are encouraged to take up a supporting role, such as Age Managers, Water safety, Officials, Parent Liaisons, and many more to support their children's involvement.

The Nippers safety is our number one priority. To ensure each and every child has the necessary aquatic skills to participate safely in the ocean, there is an expectation that all participants will complete a junior preliminary skills evaluation prior to commencing the program. Nippers is not a swimming skills program, each child will enjoy the benefits of Nippers a lot more if they can swim and are confident in the water.

\*Age Group for a season is calculated as of midnight 30 September.

### UNIFORMS

Nippers are required to wear their designated colored nipper cap and pink hi-vis singlet during every sunday session. *Club togs are optional on Nipper Sundays; however, they are compulsory if nippers wish to compete. The nippers uniform shop is located in the members forecourt and is open from 7 am each nippers Sunday. Please note that loan uniforms are available on sign-in / sign-out and are washed weekly due to COVID restrictions.*

## WHAT HAPPENS AT NIPPERS?

Nippers is not about teaching children to swim. We instead focus on survival and rescue skills that are so valuable to children who live in close proximity to many beaches and waterways. Nippers is focused on play, participation, and fun. It offers an educational pathway to become a knowledgeable participant in both lifesaving and sport. When you join you have the opportunity to gain surf skills in both areas through the Sunday junior activities program, and also can access mid-week training sessions to develop skills in competition. Not only will you meet new friends and learn new skills, but you will also become part of an iconic organization that has served the Australian community for over 100 years. Maybe you're the next Jordan Mercer.

### CHILD PROTECTION POLICY

All members in supporting roles have to complete a 'Child and youth risk management strategy' (CYRMS). This is in accordance with the Working with Children (Risk Management and Screening) Act 2000. All parents wishing to participate as supporting roles MUST hold a current Working with Childrens BlueCard.
