

FIND·A·FROG

IN·FEBRUARY

Leap into February and find a FROG!

Get ready all Citizen Scientists for 'Find a Frog in February' 2023!
Everyone can contribute to our collective understanding and the protection of
the beloved native frogs we share our world with.

Look for frogs, record their call, take photos and send your information in to the FFF team.

Record sheets, instructions and useful information is all available at mrccc.org.au/frog-in-february/

An introductory frog webinar is available at: <https://www.youtube.com/watch?v=81jQoJUZgXA&t=15s>
